

Extended DISC® Success with People

Success with People is an online logistical and training support tool for our acclaimed *Extended DISC® Personal Analysis* assessment tool. **Success with People** builds on a platform of self-discovery. It guides learners through a simple, yet effective process of identifying *where they are, where they want to be and the best strategies for getting there.*

Success with People adds a new dimension to the e-learning landscape by wrapping the learning experience around a formal behavioral assessment of the learner. They learn about *their* needs in a language and a style that is comfortable for them.

Why Success with People?

There are things about each of us that are not readily apparent - even to ourselves. Yet these things have a direct impact on how well we do in life. **Success with People** directly addresses the need for us to achieve a deeper understanding of ourselves.

Your **Success with People** package includes the comprehensive *Extended DISC® Personal Analysis*. It identifies areas for personal adjustment. The companion online support program guides you through the process of appreciating who you are and provides step-by-step advice on how you can get better results from your preferred style.
